

## *Can You Hear Australia's Heroes Marching?*

Can you hear Australia's heroes marching?  
Can you hear them as they march into eternity?  
There will never be a greater love  
There just couldn't be a greater sacrifice  
There just couldn't be

Can you hear Australia's heroes marching?  
The ones who fought and gave their all

Can you hear them as they march into eternity?  
There will never be a greater love  
There just couldn't be a greater sacrifice  
There just couldn't be

Can you hear Australia's heroes marching?  
They're marching once again  
Across our great land

Can you hear Australia's heroes marching?  
Can you hear them as they march into eternity?  
There will never be a greater love  
There just couldn't be a greater sacrifice  
There just couldn't be
